GOOD FOOD FAST

IT'S A WAY OF LIFE

You are looking at a photograph of J.B. and Stephen's grandfather R.W. Emery, standing in front of the counter, at his Highland Meat Market in Shreveport, Louisiana circa 1948! R.W. was passionate about providing the highest quality food and exceptional customer service, and doing it with a genuine smile! There was something special about doing business that way.

Today, convenience has become an ever-increasing necessity in our lives; forcing many of us to decide between the food that we want to eat and the food that our busy schedules will allow us to eat. It doesn't have to be this way!

Bistro To Go is here to solve your mealtime dilemma! Our slogan, Good Food Fast, sums up how we do it. “Good Food” refers to the care and attention we put into our food and how we treat our customers. Our company mission is to always make a difference by giving our very best. “Fast” refers to the flexible and convenient ways our food is available to you. You get to decide when, where, and how you want to enjoy it! We hope you can see, feel, and taste the difference that our approach makes.

From our family to yours, Thank you, and may God bless you!

Dear future client:
